Rendezvous Observation City Hotel, Perth Opens Vanilla face + body spa

May 2005-Rendezvous Hotels International ("RHI") is proud to announce the opening of the new day spa, Vanilla face + body spa, at their Rendezvous Observation City Hotel, Perth.

Guests can relax and revitalize in the fabulous new spa, already being hailed as 'the' best in Perth, which boasts eight treatment rooms, Vichy Shower and a spa retail boutique. The spa has rooms for couples to enjoy side-by-side treatments, and a VIP suite perfect for a small group of friends or family to be treated and relax in total privacy. The "V" zone is for younger spa-goers. Groups of 3 to 6 girls can be catered for and the spa also offers Spa-jama parties– what a way to celebrate a special birthday or school ball!

The range of salon facials includes the Li'Tya Mikiri ('deep') facial. Focusing on the face, neck and head using Aboriginal inspired massage techniques and Li'Tya products, this deeply clarifying and refining facial restores balance and harmony. A full menu of beauty treatments, salon sunless tanning and professional make-up application are also available.

Rendezvous Observation City Hotel, Perth, located across from the pristine sands of Scarborough Beach on Western Australia's Sunset Coast, is only fifteen minutes from the city centre and offers guests a unique opportunity to experience the exceptional lifestyle that is Perth. There are first-rate golf courses and great shopping options only minutes away. Indulge in all your food fantasies with the fine array of 3 restaurants and 4 bars available at the hotel or be luxuriously lazy and order in! The hotel recently completed a refurbishment of all 333 rooms and the contemporary suites which offer panoramic ocean views and private balconies. Commencing in July 2005, installation of wireless broadband into all conference areas and many rooms and a full refurbishment of the gym including state-of-the-art equipment will further enhance both the facilities and ambience of the hotel.

Oh, we do love to be beside the seaside...if you're craving a seaside escape, then look no further than Perth's own Rendezvous Observation City Hotel. Relax and unwind over an Indian Ocean sunset or spend your time revitalizing your body and refreshing your spirit in the new Vanilla face + body spa.
