## A Rendezvous Revolution in Port Douglas

**Rendezvous Reef Resort** is set to revolutionize the resort market in Australia's premium tropical destination, Port Douglas, with an extreme makeover to the destination's only all-villa accommodation.

Nestled in a magical tropical garden setting, the resort is undergoing an \$8million refurbishment that will offer brand new fully fitted kitchens and lush bathrooms, contemporary furniture, luxury flat screen televisions and air conditioning for total guest comfort. Add the resort's four lagoon-style pools, a lap pool, tennis courts and a gym and guests' holiday needs are completely covered.

Space is freely given at **Rendezvous Reef Resort**, with a massive 110 square meters of living space per two storey villa, set in a unique landscaped garden layout to ensure privacy. This is double the size of competing Port Douglas properties, meaning more room to recline.

The revolutionary makeover extends to the **Swish Restaurant and Bar**, where cool urban design mixes it up with the tropics. A stunning minimalist interior of white walls, steel and dark wood fittings and cane furnishings has guests sipping cocktails in serious style.

40 villas have already been completed and are being enjoyed by guests attracted to Port Douglas' laidback vacation lifestyle. The villas' fully fitted kitchens for self contained accommodation, combined with the village atmosphere, makes **Rendezvous Reef Resort** perfect for the family market.

Villas are clustered in groups across 15 acres of tropical gardens, meaning the refurbishment team is able to work on one group at a time, significantly reducing the refurbishment's impact on guests. A further 90 villas will be completed by September this year.

**Alan Featherby, Rendezvous Hotels & Resorts International Chief Executive**, is excited about a transformation that he describes as "...amazing. **Rendezvous Reef Resort** is a true Port Douglas icon and is set to reclaim its position as a leader in the Tropical North Queensland tourism."
